To Mrs. Peggy Robinson

B2 Albany

Piccadilly, London W1V 9RE

Dear Mrs. Robinson,

Our mutual friend Ivan Polunin suggested that I should write to you with regard to the Temias. I have begun to establish contact with a group in the Sg. Pelus area & felt that I should build up as much ethnographic background material as possible. As ^{honorary} Coordinator for the Habitat (of S.E. Asia) programme at the Inst. of S.E. Asian Studies in Singapore I have reasonable material on other aspects of their culture. I am also personally interested in the historical records especially on tape & film - audio-visual - & on the folk music.

I would look forward to a reply & would plan to meet you in London possibly in the Spring, if the Gulf doesn't get more uncertain!

Regards.

cc. Ivan
